

Charles Owen Polocrosse Helmet

Polocrosse

Featuring a glass fibre reinforced shell with 10 front and rear ventilation slots, the Polocrosse is available in traditional white gloss paint with a black GRpx® leather look harness for the ultimate stability.

With a removable liner that can be washed and replaced and with three press studs on each side to allow attachment of a faceguard, the Polocrosse is the top choice for all polocrosse athletes. 

VG1 01.040 2014-12 Kitemarked to VG1 01.040 2014-12 Kitemarked to PAS015:2011 Certified by SEI to ASTM F1163-15
